

NOW WE DRINK !

Here at Bistro 7 we have created a wine list that can accommodate any palate and any budget. We encourage you to create your own flights of wine or share a carafe so you may taste and explore a variety of wines. We want you to have an epiphany, that moment when you taste heaven in a glass! Feel free to engage our staff with any questions or recommendations.

For the oenophile we have shaped a collection of wines for the true grape lover. Please inquire with your server for the reserve list.
